

DEN CHIEF COUP

The Den Chief Coup is a new recognition by the Tribe of Mic-O-Say for all Tribesmen under 18, who actively participated as a Den Chief for one full year. The coup can be earned as a Brave but cannot be worn until becoming a Warrior in the Tribe. This special coup will be presented at an Opening Night campfire at the Bartle Scout Reservation beginning in 2014.

This coup can only be earned by Tribesmen serving as a Den Chief after June, 2013 and will be awarded to a Tribesman only one time.

Tribesmen seeking to earn this coup must meet the following requirements:

1. Actively participate with a Den (Cub Scout or Webelos Den) for one program year in Den and Pack activities to the satisfaction of the Den Leader.
2. Completed Den Chief Training anytime after June, 2013.
3. Recommendation form must be turned in by your Scout unit leader.
4. The form must be signed by your Troop leader and the Den leader with whom you worked.
5. The form must be turned in at check-in on Day One of your Troop's session at camp. (This recommendation will be submitted to the Camp Director who will award the coups.)
